

How can I activate a CardExchange™ Producer license?

When you have used our Demo Edition and you want to use it, or you directly purchased our CardExchange™ Producer application via one of our resellers, you will have to activate the application. To activate CardExchange™ Producer you need to have a **Serial Number** and **Activation Code**.

The serial number is a five (5) digit number and looks like 23144. The activation code is a 24 digit number and looks like 017DF-116DA-1ABA4-DDF80-CF05F-32D99-371F.

Activating your license is very easy to do. Just start your new installed CardExchange™ Producer application or start your Trial Edition.

Select the "Activate CardExchange™ Producer" option and click on the Next button.
